HIGHWAY BOARD COLLAPSES UNDER FIRE OF SEVERE CRITICISM

Town Will Close for Thanksgiving Day and Football Game

POLITICAL CAMPAIGN FOR CITY OFFICES GETS UNDER WAY

BURKETT AND LANHAM FIRED BY GOVERNOR

DAN MOODY'S VICTORY IN COURT EXPOSES SCANDAL IN ROAD DEPARTMENT

Following the sensational victory of Dan Moody, attorney general of Texas in the confessed judgement of the American Road Company and the recovery of $600,000 for the state, the highway commission has collapsed and commissioners Lanham and Burkett have been dismissed by Governor Miriam M. Ferguson.

Chairman Lanham and Joe Burkett resigned Monday and their resignations have been accepted by the Governor.

The resignations were forced when it was shown in the suit of the attorney general that there had been abuse of power in awarding contracts.

John H. Bickett, the other member of the commission was not involved in the public criticism and has not resigned. He was formerly a resident of Cameron.

No indication has been given by the Governor that she will call an extra session of the legislature nor has she intimated who will be appointed to the highway commission.

SANTA FE RAILROAD PAYS $16,000 TAXES

ROY LAW, TAX COLLECTOR RECEIVED VOUCHER FOR TAXES FOR RAILROAD

Tax Collector, Roy Law has received a voucher from the Santa Fe railroad for $16,225.09 representing the taxes paid in Milam County by the railroad.

The check was sent by O. L. Clarke, land and tax commissioner for the Santa Fe system located at Galveston.

The early payment of these taxes follows the request of Mr. Law who asked the road to pay early on account of need of money due to the drouth. The Santa Fe has very kindly consented to aid the county. Other roads roads have been asked to pay their taxes early but none have responded except the Santa Fe.

Of the money remitted $1,739.87 goes to eight independent school districts in Milam County; Road districts get $4,426.50 of the amount and $6,166.32 goes to the advalorem tax fund of the county. A total of $11,008.62 stays in the county and the remainder goes to the state.

Owens To Leave For Brown County To Develope Interests

John S. Owens has discontinued his office in the First National Bank building and will move to Waco for his headquarters. Mr. Owens will be in Brown County for a while working out some interests he has in that county.

J. H. Owens who has been with Mr. Owens in his Minerva oil field enterprise will go with him. The office occupied by the refinery company will be taken by E. A. Wallace, attorney who has quit the firm of Chambers, Wallace & Gillis.

The many friends of Mr. Owens will regret his departure from Cameron but will wish for him continued success.

Mr. and Mrs. H. H. Hartsfield were guests of Mr. and Mrs. J. H. Sapp on [illegible]

One of the highway commissioners to be forced from office by pressure of criticism and the governor. Burkett was a candidate for Governor in 1924.

Kasch Cotton Seed For Farmers Being Sold By Bank Here

The First National Bank is assisting the farmers in their feed problems and announces this week a large consignment of Texas oats, maize and cotton seed products.

Also the bank has about 4000 bushels of Kasch variety cotton seed, according to Mr. Green, were raised by one party and ginned on one gin. They were put up before the rainy sason set in. They are pedigreed seed and no mistake will be made in planting them.

POULTRY SHOW HERE IS DECLARED SUCCESS

CLASS OF EXHIBITS GOOD AND ENTHUSIASM IS REAL

The poultry show was a success and the exhibits were better than all expectations. Throughout the two days visitors crowded the hall to see the exhibits.

This show was promoted by the commercial club agricultural committee of which W. M. Cobb was chairman. He was assisted by Mrs. Etta Ringgold and Geo. Banzhaf, county agents. Mrs. Ringgold had a home economics display in the building.

Cameron Man Shoots Deer 9000 Feet Up Mountain Peaks

Chas. C. Smith, Cameron tailor, has just returned from Brewster county on a deer hunt and has the distinction of having shot a buck on top of Mt. Chisos which is 9000 feet above sea level.

The deer was shot at 11 o'clock in the forenoon and it was 2 p. m. when the party reached camp. The camp was located at the foot of the mountain and could be seen from the point where the deer was shot. The path up the mountain is perilous. Another deer shot on top the peak was killed at 3 p. m. and it was five hours later when the crowd reached camp.

In company with Mr. Smith was J. W. Acuff, I. I. McFayden and Arthur Starks. They traveled 90 miles across one section of Brewster county and saw only one house. Mescal is the only store and settlement in that vast section of wild country visited by the party.

E. A. WALLACE LEAVES PRACTICE WITH FIRM

E. A. WALLACE ESTABLISHES OFFICE IN FIRST NATIONAL BANK

The firm of Chambers, Wallace and Gillis has been dissolved and reorganized. E. A. Wallace, member of the firm, has left its offices and moved to the First National Bank in the offices formerly occupied by the Owens Refining Company.

W. W. Chambers and W. G. Gillis will remain in the firm and continue the practice of law together.

This is one of the oldest and strongest law firms in this section of Texas.

Mr. Wallace is a native of this county and his change in practice association will be read with interest by his many friends.

The firm of Chambers and Gillis will continue in practice with offices at the same location.

MILAM YOUTH WINS 11 PRIZES AT SHOW

LEO FUCHS TAKES 11 RIBBONS ON CHICKENS AND TURKEYS

Leo Fuchs, son of County Commissioner Herman A. Fuchs and Mrs. Fuchs of Buckholts, won eight blue ribbons and three red ribbons on his Plymouth Rock chickens and Mammoth Bronze Turkeys at the Cameron Poultry Show. He won blue ribbons for displaying the best cockerel, best pullet, best hen, best pen of three young fowls, best pen of three old birds, of the Plymouth Rock strain. He won red ribbons for the second best pullet and second best hen. He had the most creditable display of Mammoth Bronze Turkeys and won blue ribbons for showing the best young tom, best young hen and was awarded the green, yellow and blue ribbons offered for turkey hens. Leo Fuchs is an enterprising student of the Senior class of Yoe High and is practically earned his school expenses by poultry raising. Last year he raised one hundred and fifteen turkeys from nine. Owing to dry weather and scarcity of feed on the farm this year he has not raised such a large number of turkeys or chickens. He has some fine Plymouth Rock cockerels now for sale. He studies the ads in Farm Journals and buys only prize winning and record breaking birds for his flock.

Congressman Luther A. Johnson has sent him government bulletins from which he learned to raise and cull fowls. His best birds are kept in selected pens and given special care. Leo has always helped his mother with the farm poultry and was made very proud by the awards of the twelve ribbons he won at the Cameron Poultry Show.

Hefley Beats Smith In Contest On Links

Hubert M. Hefley was returned the winner in a thrilling contest on the golf links over Oxshoer M. Smith. This battle of the greens had attracted wide attention as a forthcoming event and club fans had looked forward with great anticipation to it. Keen rivalry has existed between these golfers for some time and with each round of the links their skill had been whetted against the day when they would meet and settle the question of supremacy.

While Mr. Hefley is being congratulated by his friends on the victory, Mr. Smith is determined to have a return match and this is stimulating interest at the club.

FRANK D. DRIESKA

Frank Drieska was buried at the Marek Cemetery Wednesday at 11 A. M. He died Tuesday at 12:30. The funeral was conducted by Rev. Father K. Kacer at Marek church and the funeral was directed by Green Brothers.

S. M. Burns Says Cameron Needs A Flower Industry

Citizens interested in our town often find many thing needed to round a well developed city. Now comes a suggestion from S. M. Burns, Jr. which is meeting the support and approval of many of our citizens as well as the press.

Mr. Burns advocates for Cameron a florist. Not only would this be an asset to the city by reason of usefulness in the time of need for flowers but under our climatic and soil conditions a distinct advantage can be enjoyed in the growth and development of flowers.

Scarcely a week passes but what some unusual demand develops for flowers and while local agents of florists reside in other cities have been able to take care of these demands to the satisfaction of all, there should be a business of this nature developed for Cameron. It would be a distinct contribution to the material resources of the city and would enable citizens to keep much of their money at home. In addition it would give expression to the fine soil and climate at Cameron and make more readily accessible a place to procure flowers for all occasions.

Mr Burns' suggestion is a good one and should engage the attention of the industrial committee of the commercial club.

Free Offer Parma's Store Attracts Many

A large crowd of people was at the J. T. Parma store Saturday to participate in the award of the carving set and tool sharpeners.

The carving set was awarded to Miss Adrell Whittaker. Three sets of tool sharpeners were givn away. They were awarded to J. D. Birch, Steve Slama and Kennith Shelton.

The crowd was so large that the number of envelopes passed was not large enough and a second award was necessary.

HUNDREDS TO GO TO TEXAS-A. & M. GAME

BIG FOOTBALL CLASSING ATTRACTS FANS TO TURKEY DAY GAME

Thursday Cameron will be almost a deserted city of citizens now planning to go to College Station for the football game get away.

No game in recent years between Texas and A. & M. has attracted so much attention as this game. It will not only mean a clash of old time rivals of the gridiron but will stettle the conference championship.

Routes of travel prepared by J. T. Parma and the Milam County Abstract Company will direct hundreds of cars through Cameron and the roads are expected to be lined with cars early.

There is no program in Cameron for this day except the Thanksgiving service and this will be concluded in time for citizens to go to the football game.

Fans are fairly well divided here with Texas having a slight advantage in numbers. The quality of enthusiasm on both sides is said to be sublime and the game is likely to prove fatal either way.

EPISCOPAL CHURCH

The Episcopal church will have Evening Prayer and sermon at seven o'clock next Sunday.

Sunday school at 9:45.

DAN GUNN ANNOUNCES FOR TAX COLLECTOR

POPULAR CITIZEN SEEKS OFFICE IN APPEAL TO CAMERON VOTORS

Dan Gunn, popular and well known citizen of Cameron, has announced as a candidate for the office of city tax assessor and collector subject to the primaries to be held in February.

The announcement for this office formally opens the campaign in the city for city offices and is culmination of rumors that have been current for some time among his many friends that he would be a candidate for this office.

Mr. Gunn was for a long time office deputy in the office of Sheriff Haylock. He has been engaged in business here and has had a wide experience in various business ways. He was for some time bookkeeper at the Grant Lumber Company and this with his other experience fits him for the duties of the office he seeks. He is familiar with public records and has an adquate idea of property values and promises if elected to give the people the benefit of his fitness for this office.

Mr. Gunn has resided in Cameron for 14 years and no words of introduction are needed to present him to the people. He has resided in and near Cameron all his life.

The announcement of Mr. Gunn will be welcomed by his many friends in Cameron. He expects to make an active canvas of the voters between this time and the February primaries.

H. G. KENNEY WELCOMED AT UNION SERVICES

NEW PRESBYTERIAN MINISTER PLEASES HUGH CROWD IN SERMON

H. G. Kenney, minister of the Presbyterian church, was greeted by the Baptist congregation on Sunday night when services were cancelled at the latter church and the congregation attended worship at the Presbyterian church.

While Mr. Kenny has only been in Cameron a short time his ministry is attracting attention seldom accorded in such short a time. His sermons are profoundly interesting and are appealing to a large percent of the people because of their liberality, breadth of thought as well as spiritual meaning.

Tuesday night Mr. Kenney was the principal speaker at the Methodist Brotherhood meeting.

Mr. Kenney came to Texas because he wanted to be in the fine climate of the south and west. He had been called at one time to the church of John W. Davis at Clarksburg and when he accepted the call here his recommendations contained a letter from Mr. Davis who was the democratic nominee for president in 1924.

Household Suggestions

By MINNIE NELL BLAYLOCK.

Stuffed Baked Potatoes—Peel six medium sized potatoes. Bake in a hot oven for about forty minutes. Cut slice from each end, scoop out well inside and mash well, adding one-half cup cream, two tablespoons butter, grating of nutmeg, salt, and pulp of one canned pimento. Refill shells with this mixture, sprinkle with grated cheese, and bake until well browned.

Vanilla Cocoanut Cookies—1-2 cup butter, one cup sugar, one egg, 1 1-2 cups flour, 2 tablespoons salt, 1-2 cup milk, 1-2 teaspoon vanilla, 1 egg yolk or white, 3-4 cup cocoanut. Cream butter and add sugar slowly, creaming them together. Add well beaten egg and mix well. Sift flour, baking powder and salt together and add to egg mixture alternately with milk. Add vanilla. Chill. Turn out on floured board and roll to about 1-4 inch thickness. Cut in rounds with cookie cutter and brush tops with slightly beaten yolk or white of egg. Sprinkle with cocoanut and bake in hot oven for about fifteen minutes.

Gingerbread—3 cupfuls brown sugar, 3-4 cupful butter or other shortening, 1 cupful molasses, 2 eggs, 1 cupful sour milk or rich milk. 1 tablespoonful ginger, 1 tablespoonful cinnamon, 1 tablespoonful soda, and 4 cupfuls flour. Cream the butter and sugar together, add the well beaten eggs and the spices and the molasses. Dissolve the soda in the sour cream, and add alternately to the mixture, with the sifted flour. Beat hard, and bake in a moderate oven. This gingerbread may be cut in squares, each square iced all over and decorated with nuts, marshmallows, or candied cherries.

Prune Cake—2 cups flour, 1-4 cup butter, 1 teaspoon soda, 2 eggs (separated) 1 cup sugar, 1-2 cup sweet milk, 1-2 half teaspoon salt, 1-2 teaspoon allspice, 1 teaspoon cinnamon, 1 cup stewed and mashed prunes. Cream butter and sugar thoroughly. Add egg yolks well beaten. Then stir in prunes. Sift together soda, spices, salt and flour and alternately with milk. Last fold in beaten egg whites. Bake in loaf pan one hour in moderat oven. Be sure prunes are thoroughly drained of all juice.

Cocoanut Caramel Rolls—In a large saucepan mix one cup sugar, two-thirds cup corn surup, a pinch of salt and one-half cup cream. Bring to boiling point. While cooking add slowly one-half cup more cream, and a scant one-half cup evaporated milk. Cook until a drop in cold water forms a rather firm ball; put in two tablespoons butter and stir constantly until mixture is quite firm when dropped in cold water. Pour the mixture onto a thin sheet of oiled pan or candy slab. When partly cool, sprinkle generously with cocoanut. When cool but not hard cut into three inch stripes, roll lengthwise, then when quite firm, cut into thin slices.

To Clean Bottle or Vases—Put in vase or bottle about two tablespoonfuls ice cream salt and add a little vinegar. Shake vigorously. This will remove all stains.

Fresh Curtains Without Ironing—Wash curtains in warm suds. Rinse, wring out and shake. Place them back on curtain rod and let dry. They will hang in soft folds and will look as pretty as when ironed.

For Worn Hemstitching—With linen table squares or any other cover in which the hemstitching is worn, take some linen lace and stitch it right over the worn hemstitching and the square is good for a long time. If it is a dresser scarf, take some beading and stitch it over the worn hemstitching and then draw ribbons through to match the color scheme of the room and tie bows at the corners and the covers are really prettier than when new.

Mr. and Mrs. Reuben Tubbs who have returned from a cotton picking tour with their family in their Ford report a splendid outing and a comfortable sum gained where crops were fine.

Mrs. Clarence Kennon is very sick and Miss Nell Kennon of Waco, Mr. and Mrs. Louis Kennon of Houston have been called to their mother's bedside. Tuesday afternoon she was carried to the Cameron Hospital for treatment.

The little C. E. society of the Presbyterian church enjoyed an outdoor meeting in the City park after school last Wednesday afternoon. Mrs. Ben Atkinson is director of the C. E. Society.

Ed, Hairston, a prominent farmer of the Milano country was in town Saturday. Despite the summer drought, Mr. Hairston has already gathered six bales of cotton from twenty seven acres and his prospects are fine for ten bales more. In addition he has stored one hundred bushels of corn from his farm. With possums, potatoes and persimmons, Mr. Hairston may enjoy plenty and prosperity this winter.

In connection with my flower shop in Temple on east ave. A. I have opened a Woman's Exchange and will be glad to have the ladies of Cameron and Milam County, having fancy work painting and handmade articles to leave them with me to be sold on commission. I have on hand now a beautiful line of this suitable for gifts for any occasion, and when in Temple will be glad to have you call and see me. 1tc

PIGEON EXHIBIT

Reed Rogers exhibited the only collection of pigeons at the Cameron Poultry show and was given a cash prize for his beautiful collection of pigeons which attracted much attention from visitors. Giles L. Avriett, Jr. had a pair of pigeons which took a cash premium at the show.

Reed's collection at the Cameron Poultry show contained, 10 Maltese, 2 Carneaux, 2 Birmingham Rollers, 2 Pygmy Ponters and others. Each bird had been shown this year at the cotton palace and were in best feather for the local exhibition. Boys and pigeon fanciers will be glad to read what Reed has to say:

Pigeons are raised for profit and pleasure, most people raise them for profit. I raise them for the pleasure side of it. There are two kinds of pigeons, the Utility Breed, which are for squab purposes and the fancy breed for show. There is more money in raising pigeons than poultry if you take it up on a large scale. Today pigeons are bred and not just raised. There are as many people keeping pigeons as there are poultry because of the fact that they are not as much trouble. Pigeons are pets and not a nuisance, so this is why I keep them. Some green horns will ask, "What fun do you get out of pigeons?" When a fellow comes to me and says that, I tell him to think a minute. This is a sample of the questions I get, but this does not phase me one bit, because I know what I am talking about.

Pigeons need but little care. A good house and a fly pen is all the housing they need. Fresh water and pigeon feed all go to make a success, but first of all you must know the fundamentals of how to take care of them.

My Pigeon Loft

My pen consists of three big compartments: One separate pen for my Maltese and the other two are for different birds. The Maltese is an exhibition bird. The Maltese is one of the most popular breeds. It is the "cock of the walk" in pigeons. My Maltese pen is fifteen by twenty, and the house is ten by ten. The house has inside nests and perches, 12 nests to each pair. The fly pen has perches, pigeon bathing tubs and feeders. There is an opening at the house so birds may go back and forth. Pigeons that are housed do and raise better when at large.

The Maltese are my favorite as I have had as many as fifteen different breeds. When you want to buy a pair (Maltese) you have to pay a good price for good ones. I have birds that have won at Chicago, Philadelphia, Milwaukee and at other leading shows so you see high class birds will spot the money and bring home the bacon. "If anyone wants to know how to raise pigeons. Write me.

Road Information Is Appreciated By Tourists of State

The Milam County Abstract Company has received a number of letters from chambers of commerce in sections of Texas where the present road map was displayed.

A highly appreciative letter comes from Austin where the map is pointing the way to College Station for the big football game between Texas and A. & M.

By reason of this service to the motorists thousands of cars will be routed across Milam County for that day and they will pass through Cameron as the nearest and best route to College Station.

Such service as rendered by this abstract firm is indeed helpful and appreciated by the public.

Not only has the map been fashioned to show the route of travel across Milam County but all chambers of commerce will be advised as to weather conditions and conditions of the roads.

R. L. Batte, Jr. highway inspector together with E. A. Smith, representing the maintenance contractor are doing everything possible to place and keep the roads in condition to accommodate the Thanksgiving day travelers.

Govenor Revokes Pardon Granted To Robert Stevens

Governor Ferguson has revoked the pardon granted conditionally to Bob Stevens under conviction of manufacturing liquor. Recently Stevens was arrested on charge of possessing equipment for making liquor but it has developed that no case was made against him. The grand jury failed to indict him.

However on information of his arrest the pardon was revoked and Stevens is now serving his sentence in full.

Jim Brashear and Wesley Stevens following affirmation of their cases before the court of criminal appeals have gone to the penitentiary and are now serving their terms. They were onvicted for manufacturing liquor.

Santa Claus Here Says Gohmert In Opening Display

"Santa Clause is here," says L. F. Gohmert of the Gohmert Variety store in discussing his stock for the 1925 holiday shopping season.

Mr. Gohmert declares he has purchased the best supply of holiday goods he has handled since he has been in business here.

In this issue of the Herald Mr. Gohmert announces his Christmas display of toys and on the basis of his good display asks the public for a liberal share of its patronage.

One entire section of the Gohmert store is set aside for the display of toys. This display will delight the hearts of the children as well as those who were once children themselves.

During the Christmas and the gift buying season Mr. Gohmert will maintain a clerk force sufficient to wait o nall and will see that the public is given the best in toys from which to select.

Turn to this advertisement in this issue of this paper and read what he has to say about his line of toys.

Roy Law Urges Early Registration Of Automobiles

Roy Law, tax collector is calling the attention of automobile owners in Milam County to the new law which requires headlight certificates to accompany application for registration.

In numerous circulars he is geting this information before the people, quoting the headlight law. The period of registration begins in Milam County on December 1.

Headlight certificates must not be more than thirty days old when car is registered. It is pointed out that car owners if they wait until the last minute to register or have lights tested the stations will not be able to take care of them.

The good advice is to begin registration early. Take your car today and have your lights tested. You must have a certificate from the headlight station before you can register your car.

While thinking of your car don't forget to pay your poll tax as this money is available to the public school system of Texas. Let's make 1925 a banner year for poll tax payment.

Green Brothers Host To Santa Clause In Xmas Goods Display

For more than a quarter century the holiday spirit has pervaded the Green Brothers store in Cameron and this year it is whispered that Santa Clause will make his usual visit at this store but with an unusual deposit of toys and gift goods.

The toy and gift goods department has been tastefully arranged by Mrs. Chas. Frank Green and at the opening last week refreshments were served with hot coffee and cake.

The toys and holiday goods have been given a most unique display and the second floor of this store is ablaze of color and inviting to the holiday shoppers.

Green Brothers, one of the oldest firms in Central Texas are making shopping advantages especially attractive this year by this big display. They are advertising the display and the public will profit by turning to the advertisement in this issue and read what this firm has to say.

It is going to be a big Christmas so say those in charge of this big department as the public has already responded well to the display arranged.

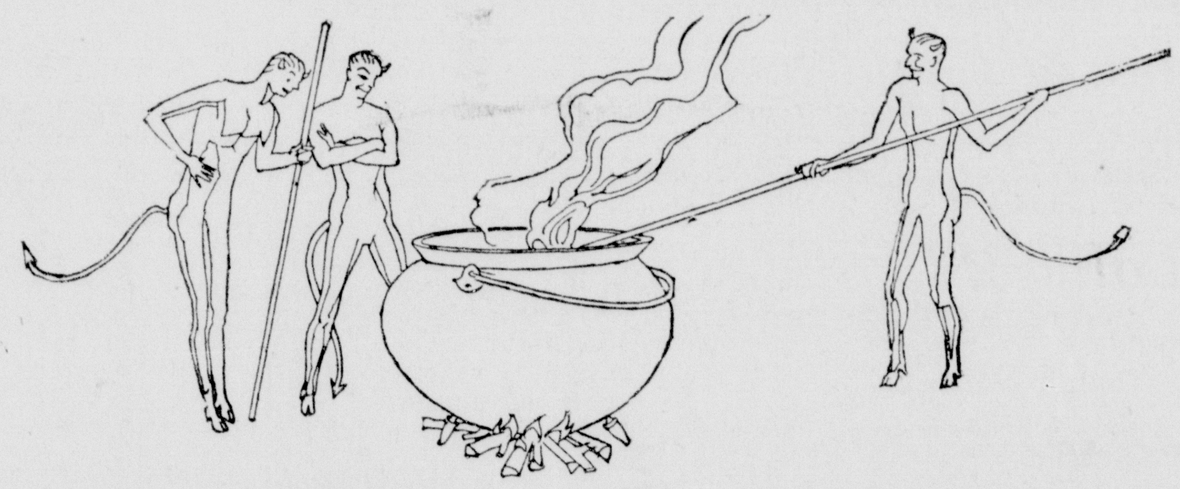
There is a difference between deep frying and deep frying in Snowdrift



Pure fat is wholesome and easy to digest. It is *burned* fat that is responsible for most of the objections to fried food.

At the right temperature for frying, many fats "break down," smoke—that is, burn—and have a tendency to upset digestion.

The wholesomeness of Snowdrift as a frying fat is due to the fact that it can be heated hot enough to fry crisply long before it burns, so that with ordinary care you can fry food in Snowdrift that is as digestible as the same food cooked any other way, and still has that rich, delectable "fried" taste.

A crispy brown crust forms so quickly that the food does not absorb too much fat and inside this thin crust, cooks to a tempting lightness and daintiness.

MUSIC LOVERS AWAIT THE EDISON TONE TEST

POPULAR EVENT TO BE ATTENDED BY HUNDREDS ON NOVEMBER 26

Miss Helen Davis, the eminent mezzo soprano and Victor Young, the popular composer-pianist will appear jointly in an unique oncert at the Yoe High School auditorium on Nov. 27.

While still very young Miss Davis exhibited an exceptional talent for singing, which she put to use at her first opportunity. During Miss Davis' first season on the road her superior qualities were quickly recognized and she now occupies a place on the concert platform which is second to no one. Gifted with a glorious voice, rare physical charms and a personality you are sure to love, this beautiful little lady is also a strenuous worker and is always seeking to do the utmost to improve herself in her art. When not on tour, she devotes her spare time to motoring and all kinds of physical exercise. She believes that good health is the first essential of a singr and nothing is left undone that will add to her success as an artist.

Victor Young is the most versatile pianist we know. He has conducted symphony orchestras, appeared as piano soloist in the leading orchetras of the country and his cofpositions range from popular, oriental, foxtrots to concert songs which are being used by practically all of our leading recital artists.

The New Cameron Drug Company is to be congratulated on his initiative in bringing these celebrated artists to Cameron. The New Cameron Drug Company still has a few tickets of admittance which will be issued in order of application.

A DESIREABLE CHRISTMAS GIFT

Young folks here is a Christmas present for you. Place the matter before your parents the right way. They will not refuse you because it is the best proposition you ever made them. It is the thing that will win your independence, giving you an insurance policy against poverty with a paid up-premium for life.

It is a shorlarship at the Tyler Commercial College at Tyler, Texas America's largest shool for bookkeeping, banking, business administration and finance, penmanship, shorthand and typewriting, civil service, cotton classing telegraphy, radio and secretarial. A scholarship in the school that will not only prepare you most efficiently, but will endeavor to secure you a position.

The cost of a scholarship in a course of bookkeeping is $75, shorthand and typewriting is $75, board and room is from $20 to $25 per month. The average time is from three to five months. Figure the cost of board and tuition and you will be surprised to find out how little it will cost you to obtain a cash producing education.

It is a Christmas present that you will always appreciate because you will never cease using it at a profit. It is something of every day use. It will make you a more successful citizen.

If you or your parents have not the cash to pay for the course in full, ask Tyler Commercial College about their student loan fund. The old saying, "Where there's a will, there's a way" is quite true. Perhaps the management of this paper can supply you with a sholarship at a discount. Ask them for details.

One of the biggest things you can do from the standpoint of business success is to secure a training that will make you independent for life Convince your parents that you are determined to make a success.

Clip the coupon below and send for the large book, "Achieveing Success in Business". It will help you to decide which course to take according to your talent. The book is free.

During the Christmas holiday's, the students may leave for ten day if they desire. Regular classes will be conducted for those who wish to stay.

We have no branch schools anywhere. We lead others follow.

To the Sheriff or any Constable of Milam County—Greetings:

You are hereby commanded to cause the following notice to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the county of Milam, State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE OF APPLICATION FOR LETTERS—ESTATES OF DECEDENTS.

THE STATE OF TEXAS,

To all persons interested in the estate of George Hall, deceased: S. A. Hall has filed in the County Court of Milam County, an application for letters of administration on the estate of George Hall, deceased, which will be heard at the next term of said Court, commencing the first Monday in December, 1925, same being the 7th day of December, A. D. 1925, at the Court House thereof, in the city of Cameron, at which time all persons interested in said estate may appear and contest said application should they desire to do so.

Herein fail not, but have you then and there before said court this writ with your return thereon endorsed, showing how you hav executed the same.

SUNBEAMS

The leader announces that theSunbeams will meet regular on the first and third Mondays of each month at 3 o'clock P. M. On next Monday each member will perform some personal act of service for some one. "Do something for somebody today" will be the motto of service and each Sunbeam is expected to be a message of light and cheer.

FIRST BAPTIST CHURCH

The week of prayer at the Baptist church was a great success. There were good crowds, and the Spirit of the Lord was there. Many requests for prayers were made by those in attendance for lost friends and loved ones. The church and the town as a whole will no doubt feel the effects of these meetings for months to come.

Sunday was another big day with us. There were 320 present at Sunday school of which nearly 200 wer 100 per cent and there were four 100 per cent classes. The house was well filled for the preaching service, at which time Dr. T. V. Herndon, our budget director af the state, brought an inspiring message. There was no night service as we all went over to the Presbyterian church to hear the new pastor.

BILIOUSNESS

Retired Minister Tells How He Keeps in Good Form.

The Rev. Lewis Evans, a well-known retired minister, past 80, living at West Graham, Va., says:

"For years I had been suffering with my liver. Sometimes the pain would be very intense and my back would hurt all the time. Black-Draught was the first thing I found that would give me any relief.

"My liver has always been sluggish. Sometimes it gives me a lot trouble. I have suffered a lot with it—pains in my side and back, and bad headache, caused from extreme biliousness.

"After I found Black-Draught, I would begin to take it as soon as I felt a spell coming on and it relieved the cause at once. I can recommend it to anybody suffering from liver trouble. A dose or two now and then keeps me in good form."

Made from selected medicinal roots and herbs, and containing no dangerous mineral drugs, Black-Draught is nature's own remedy for a tired, lazy liver.

SULPHUR CLEARS A PIMPLY SKIN

Apply Sulphur as Told When Your Skin Breaks Out

Any breaking out of the skin on face, neck, arms or body is overcome quickest by applying Mentho-Sulphur. The pimples seem to dry right up and go away, declares a noted skin specialist.

Nothing has ever been found to take the place of sulphur as a pimple remover. It is harmless and inexpensive. Just ask any druggist for a small jar of Rowles Mentho-Sulphur and use it like cold cream.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Milam County—GREETING:

You are hereby commanded to cause to be published in a newspaper of general circulation which has been continuously and regularly published for a period of not less than one year preceding the date of the notice in the County of Milam State of Texas, and you shall cause said notice to be printed at least once each week for the period of ten days exclusive of the first day of publication before the return day hereof:

NOTICE OF APPOINTMENT OF TEMPORARY GUARDIAN.

THE STATE OF TEXAS.

To all persons interested in the welfare of Marie Ondrej, a non compos mentis, Joseph Ondrej was, by the County Court of Milam County, Texas, duly appointed Temporary Guardian of the person and estate of said non compos mentis, which appointment will be made permanent, unless the same shall be successfully contested at the next term of said Court, commencing on the first Monday in December A. D. 1925, the same being the seventh day of December A. D. 1925, at the Court House thereof in Cameron, Texas, at which time all persons interested in the welfare of said Marie Ondrej may appear and contest such appointment, if they see proper to do so.

Herein fail not, But have you before said Court, on the said first day of the next term thereof, this Writ, with your return thereon, showing how you have executed the same.

Witness, Lilian Atkinson, Clerk of the County Court of Milam County.

Given under my hand and the seal of said Court, at office in Cameron, Texas, this the 17th day of October A. D. 1925. 25-3t

Ouch! Rub Backache, Stiffness, Lumbago

Rub Pain from back with small trial bottle of old "St. Jacobs Oil."

Back hurt you? Can't straighten up without feeling sudden pains, sharp aches and twinges? Now listen! That's lumbago, sciatica or maybe from a strain, and you'll get relief the moment you rub your back with soothing, penetrating "St. Jacobs Oil." Nothing else takes out soreness, lameness and stiffness so quickly. You simply rub it on your back and out comes the pain. It is harmless and doesn't burn the skin.

Limber up! Don't suffer! Get a small trial bottle of old, honest "St. Jacobs Oil" from any drug store, and after using it just once, you'll forget that you ever had backache, lumbago or sciatica, because you will never hurt or ache any more! It never disappoints and has been recommended for 60 years.

Attention
AUTO OWNERS

The attention of all owners of motor vehicles and motorcycles is called to the following provision of the Texas Automobile Headlight Law:

"Section 16. Before any county tax collector shall issue a certificate of registration to the owner of a motor vehicle or motorcycle as now provided by law, he shall require the presentation of a certificate showing that the headlights of such motor vehicle or motorcycle have been tested and adjusted at some one of the county test stations referred to, and that said test and adjustment have been made in the thirty day period just preceeding the date of application for registration."

Early registration is urged because headlight stations will not be able to take care of tests if auto owners wait until the last few days available to them for registration.

The regular registration period will begin in this county on December 1, 1925.

Tax Collector, Milam County.

Have Kidneys Examined By Your Doctor

Take Salts to Wash Kidneys if Back Pains You or Bladder Bothers

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

CONFEDERATE DEAD

S. A. Hodge, Confederate veteran, 84 years old, died at 12:30 o'clock Wednesday November 25, 1925 and was buried in Little River Cemetery at 3:30 the same day. Rev. C. L. Boone conducted the services and the funeral was directed by Green Brothers. He had resided here for many years and leaves many friends and relatives to mourn his loss.

WHY SUFFER SO?

GET BACK YOUR HEALTH AS OTHER CAMERON FOLKS HAVE DONE IT

Too many people suffer lame, aching backs, distressing kidney disorders and rheumatic aches and pains. Often this is due to faulty kidney action and there's danger of hardening arteries, dropsy, gravel or bright's disease. Don't let weak kidneys wear you out. Use Doan's pills before it is too late! Doan's are a stimulant diuretic to the kidneys. Doan's have helped thousands. They should help you. Here is one of many Cameron cases:

Mrs. J. E. Walker, says: "Whenever my kidneys got out of order, backache always followed. When I stooped, darting pains went through the small of my back. A deep-seated lameness and soreness over my kidneys made everything a burden. Headaches were another symptom and my kidneys acted too often. Doan's Pills form Thomas & Sons' Drug store rid me of the trouble."

Auto Owners

The attention of all owners of motor vehicles and motorcycles is called to the following provision of the Texas Automobile Headlight Law:

"Section 16. Before any county tax collector shall issue a certificate of registration to the owner of a motor vehicle or motorcycle as now provided by law, he shall require the presentation of a certificate showing that the headlights of such motor vehicle or motorcycle have been tested and adjusted at some one of the county test stations referred to, and that said test and adjustment have been made in the thirty day period just preceeding the date of application for registration."

Early registration is urged because headlight stations will not be able to take care of tests if auto owners wait until the last few days available to them for registration.

The regular registration period will begin in this county on December 1, 1925.

In commenting on the work of the Milam County boys Mr. Mitchell has the following to say:

"We are just in receipt of a complete list of the Milam County C. M. T. C. students who successfully passed the prescribed studies and courses in the 1925 Training Camps and have been recommended by the Area Commander for the 1926 Training Camps.

"General Pershing has said "The future prosperity and safety of the United States can only be attended by having a comparatively small standing army supported by a large organized reserve force."

"To secure the large organized reserve force, it is necessary to encourage the C. M. T. C. movement by proper publicity and individual moral support of this movement, and this end we ask the publicity of the list of the Milam County C. M. T. C. students and the news item above suggested.

Yours very truly,
A. F. Mitchell.

COTTON CONTEST GETS BOOST IN MILAM CO

SCHOFFELMEYER TALKS TO FARMERS AND BUSINESS MEN HERE SATURDAY

The following account of the meeting held here Saturday was printed in the Sunday Dallas News and was written by Victor Schoffelmeyer, agricultural editor of the News:

Several hundred Milam County farmers gathered in the court house on Saturday to become better acquainted with the Dallas News and the Semi-Weekly Farm News cotton contest plans for 1926. The meeting was under the auspices of the agricultural committee of the Cameron Commercial Club, of which W. M. Cobb, editor of the Cameron Enterprise, is chairman.

Much interest was shown in the contest plan and preliminary work had already been started among the negro farmers in the county through the activities of J. H. Williams, negro agricultural agent. He announced that eighty-four negro farmers had already entered the 1926 contest and that about half of them had plowed their land or would plow at once. Williams paid a visit to Smith county during his vacation this summer and talked with negroes there who have raised from one to two bales of cotton to the acre in the cotton contest and for the first time in their lives were out of debt and had surplus money to spend. He said what is good for Smith county farmers is also good for those of Milam County.

Called "Greatest Newspaper."

Judge T. S. Henderson, one of the influencial men of Milam County, was in charge of the big meeting and alluded to The Dallas News as the "greatest newspaper in Texas" and one which had done significant things for the farmers. He said the News' cotton contest is arousing the interest of all Texans in better farming and that it deserves the support of every progressive business man, farmer and banker.

County agent George Banzhaf says Milam County farmers are anxious to get into the cotton contest, especially after a disastrous year of drought in which the county only produced about 8,000 bales of cotton, against 65,000 last year. On top of this cotton failure, the farmers had to start all over again. Fortunate for Milam County, the banks had accumulated sufficient surplus in the preceeding good years to tide over the one lean one and everything again is on the upgrade.

Col. C. C. French, industrial agent for the Fort Worth Stock Yards Company, was one of the speakers and told what to do with land released from cotton in the cotton contest and how to make the farm first of all feed the farmers and their live stock. He said his company is willing to restock the farms with high-bred gilts from Northern markets at absolute meat prices, plus the cost of immunization and freight, which would not exceed $25. a head for total cost of getting the animals to Texas. He said the present shortage of high class beef, hogs and sheep offered unusual opportunities for Texas farmers to restock their land released from cotton culture through intensive farming as practiced in the News' cotton contest.

Big Poultry Show Is On

A big poultry show for Milam County, backed by the Cameron Commercial Club, is in progress and is largely attended. The Commercial Club will also offer $350. in prizes for staple cotton in connection with the News' cotton contest for 1926. The Texas Farm Bureau Cotton Association is distributing 2,000 bushels of pure-bred staple cotton seed to its members through the services of A. G. Thompson, which will be planted in communities to keep the varities pure.

County agent Banzhaf is arranging to enter his club boys on five acres in the cotton contest next year instead of the usual one acre. He said there is a splendid season in the ground due to rains, which, however, have been too plentiful for harvesting the late feed crops, which were planted after August. The outlook for a prosperous year in Milam County is excellent and bankers and merchants are ready to co-operate in every way to hasten prosperity.

President F. E. Jackson and Paul Webb, secretary of the Cameron Commercial Club, are active in promoting better farming and have an efficient agricultural committee at work in the persons of Mr. Cobb, C. R. Philips, J. C. Tucker and Mr. Banzhaf.

Milam County Cotton Report

There were, 6,449 bales of cotton, counting round as half bales, ginned in Milam County, from the crop of 1925 prior to November 1, 1925, as compared with 55,408 bales ginned to November 1, 1924.

LUNCHEON

A luncheon of beautiful appointment was given in the dining room of the Bigbee house on Friday at 12:30 in honor of Mrs. Sallie Botzer of Dallas, Great Commander of Texas, for the Woman's Benefit Association. The guest of honor made a splinded talk and took this opportunity to tell all members of the local Review how very much the work of Mrs. A. E. Sharpe as Record Keeper was appreciated at State and National Headquarters Pleasing talks were made of the local Review: Mesdames Geo. S. Mangum, E. Guggolz, W. G. Gillis and K. K. Robbins. Mrs. Ida C. Avriett was the only charter member of the review present on this happy occasion. The following had places at the luncheon table: Mesdames Hulda T. Sharpe, Verna Smith, W. G. Gillis, Ida C. Avriett, F. A. Marek, Cora Cammer, Fred Cable, R. L. Williams, L. T. Lewis, S. Kestenbaum, Geo. S. Mangum, James Coleman, W. Henrichson, F. R. Dunlap, Verna Stroud, Ernest Brod, W. Sykes, J. F. Guggolz, Martha Shepherd, Lottie Bigbee, K. K. Robbins.

On Thursday afternoon Mr. Sallie Botzler of Dallas, Great Commander of the Woman's Benefit Association of Texas was in Cameron to encourage the local review. An interesting meeting was held at the Odd Fellows Hall at 2:30 P. M. which was attended by members of the local review. Mrs. Botzler made an appreciated address in which she gave out that the name "Lady Maccabees" might be adopted by another organization and the name Woman's Benefit Association would be solely used to designate this great Insurance Order.

MRS. CONN MILLER ENTERTAINS

Outstanding among the social affairs of the week was the 42 party of Friday afternoon given by Mrs. Conn Miller at her attractive home on North Travis Ave. The chrysanthemum, queen of autumn flowers, was chosen as a motif in decoration and appointment. Artistic groupings of the favored blossoms in vases, wall pockets and pedestal baskets lent their combined charms to make the triple reception suite inviting. In the reception hall tones of yellow were used, in the parlor shades of pink, and in the dining room tints of lavender prevailed. Upon arrival guests found places at tables laid for luncheon, each table lighted with candles in holders and centered with flowers, conforming to the color scheme. After Mrs. Miller, assisted by Mesdames Joe Denson, Hugo Slaughter, Simeon Burns, Jr. Wilson Gunn and Dan Tyson, served an appetizing salad and isweet course, covers and candles were removed and the tables were gayly outfitted for a series of 42 games, three tables with pink, two in yellow and five in lavender accessories. Ruffled crepe paper baskets of home made confections centered the table.

Individual scores were kept and at the conclusion of the spirited series the following were awarded the table trophies: Mesdames Wm. Rogers, A. N. Green, Wilson Gunn, John Ryn, Hugo Slaughter, Ben Atkinson, S. A. Cottle and Misses Alline Tubbs, John Ryan, Edna Sprinkle and Olive Henderson.

ANNOUNCEMENT

Bright and clever in all intriging details was the 42 party given by Miss Louise Denson at her home on North Travis Ave. in honor of her friend, Miss Olive Henderson. Chrysanthemums and pink roses attractively placed in vases, wall pockets and pedestal baskets were used to adorn the rooms given over to the hospitality. Previous rumors had indicated that an announcement would be made during the afternoon and when the guests found their places at five gayly decorated tables marked Who? When? Where? Why? Trip? expectancy was on tiptoe for the denoument. Bunches of chrysanthemums tied with pink to which tiny scrolls were attached were supposed to reveal the secret, but after a series of spightly games the guests were invited to unroll them altogether, but when read the air of mystery increased for only fake answers to the Who, When, Where Why, Trip were disclosed. Assisted by her mother, Mrs. Roy Baskin, a salad and ice course was served and later the guests departed but found when arriving at their cars tiny pink hearts tied to each wheel the following announcement:

Miss Olive Henderson to Mr. C. W. Bradbury. December 3, 1925.

Out of town guests included Miss Constance Bradbury of Baylor College, Belton, Mrs. H. Clay Watson of Waco, Miss Bill Fontaine of Jones Prairie, and Miss Bess Wiley of Miliano.

STUNT PARTY

Friday evening Mr. and Mrs. Tate gave their Sunday School classes a stunt party at their home in West Cameron. A profusion of flowers were used to make the home festive for the occasion. Twenty-eight boys and girls of the Intermediate Department enjoyed the evening. Sandwiches, white cake and hot chocolate were srved and the party was voted a most enjoyable hospitality.

The Ben Arnold Home Demonstration club met Wednesday afternoon with Mrs. C. F. Nolte. The program for the day was candy making. There was more than twelve varities of candy made. The club meets every third Wednesday and has very interesting programs under the leadership of Mrs. Ringgold. She is very competent in her work and is with us in every meeting. We have been very successful in our making of quick bread, salads, alteration of dress patterns, remodeling of old garments, millinery, rug making and dyeing, removal of stains, tailored sockets and fancy stitches.

The next meeting will be with Mrs. C. F. Nolte. The program will be discussion of Xmas gifts.

If anyone is interested in our meetings, we will be glad to have them with us.

D. E. BANQUET

A Thanksgiving banquet in the Yoe High school dining room was served to superintendent Fisher and members of the Cameron School Board on Monday evening by Miss Eleanor Hensley and girls of the D. E. department. Decorations, menu cards, bonbon boxes and plate favors were made by the deft fingers of the girls and the seven course menu and the splendid program rendered reflected great painstaking efforts of Miss Hensley and members of her capable class. Dorthy Denson was elected hostess and Evelyn Ashworth, assistant hostess for the evening. Lena Belle Baskin and Louise Johnson served the following menu faultlessly:

Grape Fruit

Roast Turkey Peanut Dressing
Gravy Cranberry Jelly
Creamed Peas
Rolls Butter
Apple Celery Salad Cheese Straws
English Plum Pudding
Hard and Liquid Sauce
Creme de Mente Ice
Bonbons and Nuts
Cafe Noir

The program between courses included toasts by Superintendent Fisher on "The First Thanksgiving" and "America" by Mr. William Henderson of the school board. Musical numbers were given by Misses Lydia Boedeker, Lois Randolph, Bethel Middleton, Harriett Flinn, Sue Griffin Webb, and a reading by Kathleen Ely.

ELLEN CAVER CLASS

The Ellen Caver class met in their class room Sunday morning for a message of Thanksgiving. Fruit on pedestals furnished the background for the room, while each table held gaily colored baskets of fruit. Souvenirs in the form of horns-of-plenty were pinned on all who entered. The president took for her devotional Psalm 103.

Following this the birthday girl gave her report and prayer was offered for those who had birthdays the previous week. An opportunity was then given for all to tell what they were most thankful for and a shower of praise and thanksgiving followed. The Bible story was then delivered by our beloved teacher. Following a few words of greeting from a few visitors the scene was quietly moved to the main auditorium for the church service. On Sunday afternoon the baskets of fruit were taken to the shutins and poor. Every basket bore a mesage for those to whom they were being carried—but bearing an unwritten message to the carriers who seemed to hear a gentle voice whisper, "For in as much as ye have done it to the least of these, my brethren, ye have done it to me."

BRIDGE TIMBERS HAVE ARRIVED AND WORK TO BEGIN SOON

Three cars loaded with bridge timbers consigned to Thomas and Ratlif, contractors, reached Thorndale Saturday night and was unloaded and the first of this week. This material for the construction of the bridges in this road district No. 6 as provided for under the provision of the bond issue of $125,000 voted some time ago. Thomas and Ratlif have entered into contract with the commissioners court to complete the work in 160 working days and the work will be begun within the next few days we are told if the weather permits.

There are four important roads leading to Thorndale which require bridges in each and some of the low creek bottoms are to be tresseled for short distances under the provision of the contract and agreement of the court and with the local road committee.—Thorndale Champion.

PEACH BRANDY AND HOME BREW SIEZED HERE

By some unexplained means Arthur Young came in possession of facts which latter led him to notify Justice of the Peace Z. T. Gore of evidence he had that illicit liquor was being sold right in the heart of Thorndale by a negro.

Judge Gore wrote out a search warrent and turned it over to Constable Miertschin who with Arthur, whom Justice Gore had previously deputized to assist in the case went to the W. S. Elliott building on Main street and arrested Albert Watson, colored, and a veteran of the World War who had rooms in the building. While thus detained the negro maintained innocence of any knowledge of liquor being stored in the building, but Mr. Young, acting on knowledge referred to above, insisted and persisted in the search with the result that about two quarts of peach brandy and about five gallons of beer was found and siezed. The brandy was in bottles but the beer was yet warm, and in fact that the stove and the facilities for cooking was warm indicated that the beer was just made and ready for bottling.

The negro was taken to Cameron jail where he remained until Monday Saturday afternoon and lodged in when he made bond and was released ta await the action of the grand jury.

The negro served in France with a bunch of colored soldiers from Chicago but following the war drifted to Texas and Thorndale. He is said to receive $75 each month from the government as disability compensation.—Thorndale Champion.

NEAR CENTENARIAN IS CALLED BY DEATH

Mike Walsh, a native of Ireland and said to be nearing the century mark in age, died at the home of his daughter, Mrs. A. J. Holder a few miles north of town Tuesday morning about 3 o'clock from heart failure He has lived in this county and community for a number of years and his exact age is not known but estimated to be between ninety and ninety-five.

Funeral services were held at the Catholic church at Taylor Wednesday afternoon and interment was made in the Catholic cemetery at Taylor following the service. The deceased was the favorite with many who sorrow because of his death and his funeral was largely attended by young and old. Due to the nearness of press time we will give a more complete report in our next issue.—Thorndale Champion.

THORNDALE COTTON RECEIPTS

Local cotton receipts at Thorndale for this season has passed the 700 mark, there being 1114 round bales and 175 square bales ginned at this place up until Wednesday at noon. Counting round bales as half bales makes the total receipts of 722 bales. Seed is quoted at $30 a ton and middling cotton basis at 19.50.

The government gin report released by the department of commerce and bureau of censes on Nov. 9, quotes Milam County as having ginned 6,449 bales up to November 1 from the 1925 crop, compared with 55,408 for the same period in 1924.—Thorndale Champion.

KEEPING THE ROAD OPEN IS SUBJECT OF MEETING

Like Mark Twain's observation of the comments heard about weather, the subject of keeping the roads open through the creek bottoms near town developes into a worthy proposition. Mark Twain observed that "there is a great deal said about the weather but nothing is ever done about it." Of course this is not literally true of the efforts to maintain the roads but it is so nearly true that at times we feel that we make progress very slowly. But when one contemplates the magnitude of the task of maintaining the roads in a passable condition in the shape our roads are in one readily sees the similiarity of the two propositoins of controlling the weather and maintaining the roads. The facts are we have no roads to maintain and until the work contemplated by the voters when the bond issue was authorized is done we cannot hope to maintain the road leading to Thorndale to any satisfactory degree with the money available for that purpose.

That seemed to be the conclusion reached by most of those who attended a meeting in the directors' room of the Thorndale State Bank Monday afternoon when the local road committee and other citizens met with the county commissioner to discuss the subject of keeping roads in the creek bottoms passable at all times. Many suggestions were offered as a solution to the problem but with every suggestion a disadvantage developed which made it undesireable. Mr. McDonald stated that he was very anxious to be of the greatest service to the public and would spare no effort to have the roads dragged after each rain but to adopt the practice of paying for a road drag and a man and team to drag each road leading into town after each road out of the maintenance fund would set a precendent almost impossible to follow, and for this reason he thought best to use the overseers and the labor of men on each road as provided by law and urge overseers to see that all hands work out their allotted time each year or pay cash equivalent and use this labor and funds for the purpose suggested. The Commissioner suggested that the overseer warn out a man and teams following each rain and drag the road in his district and credit the man doing the work with his time on his year's road duty. The meeting adjourned without working out any definite plan other than the above mentioned and we presume that method will be employed in the future. The roads leading to Thorndale have been impassable for a week during heavy rains and the inconvenience to the public is very great but we can only hope to minimize this inconvenience until the roads have been rebuilt under the provisions of the bond issue which provided the funds necessary for that purpose. With our roads built up substancially and maintenance will be camparatively inconsiderable.—Thorndale Champion.

THANKSGIVING DIFFERENT NOW THAN WHEN FIRST CELEBRATED BY PILGRIMS IN NEW ENGLAND

If the spirits of the pias Puritan Fathers who instituted Thanksgiving could come back and move among the shouting crowd at one of our football games, or observe the Charlston at one of our Thanksgiving dances, or even sit down at one of our luxurious dinners, the table shining with silver and spotless napery, would they approve of our way of celebrating the day—their day? Would their stern orthodoxy be tempered by the gentle humanities, Christian unities and organized charities which make distinctive our liberal age? Or would they look upon us with stern forbidding as unworthy, degenerate children who make a feast to Bacchus instead of God?

We can never tell. But it is certain that our Thanksgiving, while truly American in origan and character, is as different from that first observance as this era is different from the bleak New England of long ago.

After the experience of their first year in America the Pilgrims at Plymouth were quite willing to be thankful for very small mercies. During that time forty of that 101 members had died and were buried on that wind-swept bluff overlooking the landing. Cold, hunger, sickness and fear had haunted them like vengeful ghosts.Their common house had burned and left them half frozen. One of the number wrote back to England that, lost in the woods, they were terrified by the roar of "lyons"; that they had met wolves that "sat on their tayles and grinned" at them.

In the fall of 1621 the men of Plymouth had gathered in their crops from twenty acres of corn and six acres of barley and peas. The cold weather had brought into the harbor an abundance of game. Gov. Bradford specified that during that autumn, "besides water foule, there was a great store of wild turkies."

Real Gratitude

In devout gratitude for these unwonted blessings Gov. Bradford gave directions for the observance of a day of thanksgiving, December 3, 1621. He then sent out four men in search of game. They returned under the weight of plump bronz turkeys. Thus early in the history of the day our friend, the strutting gobler, made his appearance.

Then the thrifty housewives took the matter in hand and made all the goodies possible from their limited supply of material. And we today, with our labor saving appliances, canned goods, ground spices and bottled flavorings, can not realize what a struggle they had. They cooked for days before the feast, and the savory odors must have penetrated the forest for in the midst of the festival a shout was heard and ninety friendly red men under King Massasoit, appeared, bearing as an addition to the feast huge haunches of venison.

Pumpkins Galore

Pumpkins were so very plentiful, growing wild in the fields, and were used in so many ways, that a wit of those days wrote: "We have pumpkins in the morning, pumpkins at noon and pumpkins in the evening. If it were not for pumpkins we would be outdone!" So the Puritan mothers took the delectable golden vegetable—or is it a fruit?—anyway, they took it and made the pumpkin pie which has become an American institution. They eschewed the traditional Anglo-Saxon goodies, boar's head, plum pudding and mince pie, because, since they were redolent of the Christmas feast, they savored of "Popish mummery."

Three-Day Event

The day of thanksgiving lengthened into three. Mere bodily feasting was interspersed with the services at the little log church, with the singing of psalms and with the war dances of the Indians and exhibitions of military drills by the well trained soldiers of Capt. Standish.

As time went on the deeply religious gravity of the holiday became lightened by more festivity. It was the one time of the whole year when into the hard fisted home life of that austere day the sunlight fairly entered, and it was made much of with before the feast. And the feast itself was looked forward to with an eagerness which later generation knows nothing. Its reunions, its vacant chairs, its yearly story of profit or of pain, touched the inner cords of these stern souls and made them vibrant. The table fare was graded downward in a scale indicative of the worldly goods possesed by the host. For the squire, the stall fed turkey, especially fattened and sometimes weighing twenty pounds, at one end of the board, chicken pie at the other. For the well to-do farmer's household, a smaller turkey without, the pie. For the poorer farmer, the pie without the turkey.

All Celebrated

But every table, rich or poor, had its cider, pumpkin pie, with a fowl of some sort as the trinity of the feast.

The pigeons which sometimes lighted by thousands on the buck wheat fields were such an important feature of the Thanksgiving festival that the New Englanders used to have a song which went something like this:

"When I can read my title clear,
To mansions in the skies,
I'll bid farewell to every fear
And live on pumpkin pie."

Now the pigeon pie is missing from our Thanksgiving dinner, since the pigeon, like many other birds, is fast joining the phantom flight of the dodo

The Day Once in Disfavor

For a long time Thanksgiving was looked upon with disfavor in the South. The Southerners rather suspected that it was a Puritan substitute for Christmas, and it remained for a woman, with the persistant characteristic of her sex, to make it take on a national aspect.

It happened that Mrs. Sarah J. Hale, coming down from Boston to Philadelphia to edit Godey's Lady's Book, realized as she had not done in New England how limited was the observance of the day.

Becomes National Holiday

So she sat down and wrote letters to the Governors of all the states, and suggested that they should, by proclamation, appoint the last Thursday in November as a day for Thanksgiving, so that the event might be national. This she did year after year, and was so far successful that in 1859 the Governors of all the states but two yielded to her request. After the Civil War the Presidents have appointed the last Thursday of November, exchanging the local and various observances of the day for one truly national.

It has now incorporated many of the aspects of Christmas, and Christmas, on the other hand, has assumed some of the features of Thanksgiving. The turkey has displaced the Christmas goose, for instance, and the mince pie of Yuletide shares the honor of complimenting the Thanksgiving indigestion with the pumpkin pie which once monopolized this interesting work.

Today we decorate our tables with fruits, grain, pumpkins and miniature fowls, symbolic of that first feast of plenty. And we have never improved upon the first piece de resistance, the turkey cooked to a delicate brown and stuffed with a delicatable filling flavored by a knowing hand. But regardless of a particular items on the menu, we all have the original Thanksgiving in our hearts if we can say with the yeoman poet:

"Some hae meat that canna eat,
Some has na' meat, but want it,
But we hae meat, and we can eat,
And sae the Lord be thankit."

Thursday afternoon at 3:30 p. m. Mr. G. T. Knight, aged 50 years of Corsicana, Texas was buried by Price and Oehl at the Corinth Cemetery near Buckholts. Mr. Knight died in the Navarro County Hospital while on a visit to his daughter, Mrs. O. L. Pikert. Surviving are his wife, Mrs. G. T. Knight, his daughter, Mrs. O. L. Pickert and two sons, H. L. Knight Navarro and C. F. Knight, Cameron, all of whom were present at his funeral at Corinth on Thursday.

Mrs. J. W. Mills of Houston was the guest of Mrs. R. L. Batte while here. Mrs. Mills addressed the women of the Methodist church on Sunday morning and on Monday morning met members of the Woman's Missionary Society at the church and spoke of the Belle Bennett Memorial and other Missionary activities fostered by the women of the Texas conference.

The Woman's Missionary Council of the Southern church, with which the Texas conference is affiliated, has over 300,000 members and raises over one million dollars each year for its work.

The memorial of Miss Bennett will take the form of a building at Scarrett school for Christian workers at Nashville, Tenn. The women of 37 other conferences wil contribute to the memorial.

The Texas Woman's Missionary Conference has a membership of 5,000 with 211 auxiliaries for adults and over 100 for young women and children. This conference during the last fiscal year contributed $31,000. to the general connectional work besides raising $75,000 for work in churches and parsonages within its conference territory. Adding the contributions to local charities the budget for the year reached $110,000. The woman's conference has a $5600 endowed scholarship in Scarrett college for Christian workers. It also has contributed $13,000 to the building of the dormitory for girls at the University of Texas at Austin.

Mrs. J. W. Mills has been a leader in the woman's conference for 25 years, starting as district secretary, serving in all the offices and for the last seven years has been president of the conference.

The Cameron Society supports Miss Wiemer's daughter of the Giddings Methodist pastor as a worker in the China Mission Fields.

Misses Katherine Leath, Frances Hause, Ima Wilson, Hilda Burke, and Louise Berry went to Austin to see the game between the Cameron team and the Dummies.

"I suffered with dreadful pains in my sides during . . . My side hurt so bad it nearly killed me. I had to go to bed and stay sometimes two weeks at a time. I could not work and I just dragged around the house.

"I got very thin—I went from 126 pounds down to less than 100. My mother had long been a user of Cardui and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle I began to improve.

"My sides hurt less and I began to improve in health. . . The Cardui acted as a fine tonic and I do not feel like the same person. I am so much better. I am well now.

"I have gained 10 pounds and am still gaining. My sides do not trouble me at all.

"I wish every suffering woman knew about Cardui."

Thanksgiving Day

The Pilgrim Fathers established the Thanksgiving Day festival in 1621 when after the corn crop had been gathered they came together for a feast and Thanksgiving that lasted three days.

They observed Thanksgiving under stressing circumstances. Of the original company a large number were Indians.

How we have grown and prospered since that day. Again November 26 we will observe Thanksgiving. Let us be thankful for a strong government and for ideals that were given to us by the fathers.

The Book Shower

A wonderful spirit of enthusiasm was aroused some week or so ago by the announcement in chapel by Mr. Perkins, that a half holiday would be awarded the class that contributed the most books to the library. The object of this, was to build up in a measure, the much-neglected, turn-down ill equipped library of Yoe-Hi. Well, the effect was great and the result wonderful.

A contest of emulation between the four classes immediately begun. Every house in town from the smallest to greatest, was combed and harried in the search for books. This having been done there still remained a lust for more books, so the entire vicinity of Cameron was raided by the savage book-thirsty class members. Even one or two visits were made to neighboring towns in the search for books. Several family cars of Cameron citizens were temporarily turned into "book-wagons." Books came in, not by the hundreds, but by the thousands, the total was aver six thousand. (6,000) acceptable books being turned into the library. As the local rain showers gives strength to the struggling plant life, and swells the little brooklets, so the welcomed book shower to the joy of the entire school filled the library of old Yoe-Hi to overflowing books, books, books. Everywhere the eye turned it was met by the vision of a book. As a result, the library now contains acceptable books that deal with almost every subject of humanity.

A regret statement is, that to this wonderful shower the value of which cannot easily be over-estimated, the famous Senior Class contributed only 425 acceptable books while the Sophomore class turned in about 325, the Freshman class 725 and the Juniors about 900.

Over one thousand copies of English classics, held a very high place in helping make up the contribution. To the joy, but not to the surprise of Mr. Perkins, over a hundred books that had previously belonged to the library found their way back home, along with the hundreds of other books that came to make Yoe-Hi library their future home. The thousands of copies of the very best magazines that did their part in supplementing the contribution, cannot be slightly esteemed. Due respect and notice must also be paid the many found volumes of the congressional record for the past fifty years. A complete Geographic magazine file was also contributed, along with a complete low library, which was a great and very valuable contribution within itself.

Some titles of contribution books that might be mentioned are: "Manuals for Army Cooks, "Key to Wentworth-Smith Solid Geometry," "Ponies of all Kinds,' Books written in six different languages helped to make up this wonderful contribution.

Among the great mass of books were found several rare volumes, for example, "History of Greece," published in 1831; "The Madison Popers" in three volumes, published in 1841; Allison History of Europe, four volumes published in 1844; "The Life and Character of Patrick Henry," 1848, by William Wirt. When we realize that such great selections as these have survived the Civil War we value them all the more. To look upon the gifts gives one a historical thrill.

Harken Juniors

Seniors' faults are many;
Juniors have only two—
Everything they say, and
Everything they do!

Mozelle Sees a Sight

(In her English theme)

"Today I have seen a most wonderful sight—a pond whose shallows are full of black tadpoles. Just fancy, some day every one of those horrid, wriggling things, will be a beautiful butterfly."

The Sophs are always glad to hear from fellow students who moved out of town during the summer. The following are letters from Don Nabours and Henry MacFadyen:

Dear Philosopher (Wilbur Crawford):

I am just wrtting to Fish and he complains that you have not written him since Heck was a pup.

I have written to Gene twice. He has not answered either letter yet. I suppose it is because; the first one id it with the second one. I did not put a stamp on it and it did not have a return address on it. I suppose they both went to the dead letter office.

My address is 1619, West 19th, West Tulsa, Oklahoma. Please answer me immediately, if not sooner.

Tulsa is a pretty good town but there are no kids my size. Buddie and I explore the city nearly every day.

There is a pet shop here where they sell all kinds of animals. They have also got an "Indian Curio" shop which is muchly a big fake. There is a large oil refinery across the street which is very dirty, nasty, oily, dusty and black.

Hoping you are the same,

Yours truly,

DON.

Juniors' Song of Suspense

Sing a song of cube root,
A grade book full of D's
Six and sixty Juniors
Working for the C's
When the quarter ended
They began to mail:
Was not it a delightful sight
To see those Juniors fail.

Cotton: She looked on the table and saw the turkey dressing.

"A Waste of Time"

Viewed by Alvin Mondrik

It was not many years ago, when girls were proud to call me "Bean," and I could choose, discriminate when I desired to make a date. Alas, those days shall be no more, for I have now reached fifty-four.

Time was when I could have the best and leave the others for the rest. Of beauties I might have my fill for I could pick and choose at will, but that, oh, blessed memory, occurred when I was one and three.

Don't get me wrong—I beg to say I'm only one and six years today. The fifty-four to my distate, means what I am around the waist.

Sweet Songs

Ed and Fred
Sped up a hill,
A curve up there was sharp
The car upset;
Ed's rolling yet,
Fred's playing on a harp.

Real Poetry

Gardine: Allena looks stunning today. Her gown is a poem.

Charles: What do yiu mean Poem?

Replied Charles: That gown is two poems and a short story.

Yoemen Defeated By the Belton Tigers

Although both the Yoemen and the Belton elvens are out of the interscholast race, this game afforded the fans one of the best treats of the year. The final score was 3 to 0 in favor of the Belton Tigers.

Belton appeared on the field on time and so did the Yoemen and began to warm up. Among the Tigers was recognized our old pal and classmate, L. C. Estelle. On account of the trrific drives over his side of the line he was hurt and was taken off the field. Belton scored at the end of the second quarter just as the gun was fired. The ball sailed over the goal posts for a field goal just as the gun was fired ending the first half. From the sidelines it seemed that the Yoemen did not have their old time fight at the beginning of the games as they usually have but in the last few minutes of play every man was a fighting demon. Childress tried to tie the game with a 2 minutes to play by kicking a field goal but he missed it.

Both teams showed sportsmanship and good clean football in every way from the start of the game to the finish. The Yoemen had rather play the Belton team than any other team in the State because of their sportsmanship and clean football.

Big Four Classic to Begin Dec. 2.

Each year there is a conference known as the Big Four Classic among the four classes in Yoe High School to decide the champions of the school. The winner of the championship will receive a silver loving cup. If a class wins this championship for three years in succession, then the cup belongs to that class as personal property. At the present time, the Sophomores are the holders of the cup and they will defend their title in the first game of the classic beginning December 2, at the Lawless Green Athletic Field. Below is the schedule for the Big Four Classic:

Dec. 2, 1925, Fish vs. Soph.

Dec. 4, 1925, Juniors vs. Seniors.

Dec. 12, 1925, Losers of the Fish-Soph game vs. the losers of the Junior Senior game to decide third place.

Dec. 15, 1925, Championship Game.

Admission to these games will be: Students, 15c; Adults, 25c.

Come out and see Montague Triggs, "Boots" Smith, Leland Stedman, Paul Watson, Gardine Lesovsky, Edward Manning, Cotton Roberts and Thelan Evans in the big Fish-Soph game December 2. This game will equal the yearly Texas-A. & M. game and will be the feature game of the classic as the Sophs defend the cup. Whoopee—Let's go-
